VOLUME NUMBER 91 | CAMERON, MILAM COUNTY, TEXAS, THURSDAY, AUGUST 3, 1950 | NUMBER 16

COUNCIL ERUPTS IN VIOLENT FASHION

Mayor Green was roasted on the official griddle last night as members of the City Council took him severely to task for what they charged was not only lack of cooperation but downright contrariness.

Smoldering resentment burst into flame shortly after the council opened its regular meeting. No sooner than the minutes had been read and approved, L. Van Perkins who as spokesman for the other aldermen, rose to his feet and loosed a tirade against the mayor.

After the meeting it was revealed that the aldermen had held a consultation some time Tuesday and a decision had been reached to put an end to the impossible situation that has existed since Mayor Green took office and his unsuccessful fight to defeat the water bond election.

The Council recently voted to install parking meters. The question of enforcing traffic laws had already erupted at a council meeting and involved the police department.

Mr. Perkins outlined in a news story plans the council has to operate the meter system. He said last week operation and enforcement would go into effect July 31.

Mayor Green rushed into print with a statement that no date had been set to start operation of the meters. Claiming that the council had jumped the gun and when a date had been selected at a meeting of the council he would put meters in operation and the law would be enforced.

The Council enacted a lengthy ordinance and this ordinance was signed by Mayor Green.

Mr. Perkins, waxed hot, gave the

Cameron Lions Make Plans For Annual Carnival In September

The Board of Directors of the Lions Club met at the home of Woodrow Lowe, president, on Wednesday night, July 26, at 8:00 P. M.

During the course of the meeting, Mr. Lowe assigned the committees and committee chairmen for the various organizations for the coming year.

Arrangements were made for the Lions Carnival which will be held the first part of September. President Lowe appointed F. E. Jackson, Herbert Nance, and Dr. George Bowman as chairman of the various committees in charge of the direction of the carnival which is an annual event in Cameron.

The carnival will be held on the Court House Lawn.

CITY IS TIMID ABOUT ENFORCING ORDINANCE

Auto parking meters will be placed in operation in Cameron Monday July 31.

The city council was exhibiting its usual timidity about enforcement of the meter ordinance and the meters will be hooked up as Aldermen place their ears to the ground to listen for repercussions.

Despite the printing of 500 cards to be used for advance education on violatoins the city now says it will wait two weeks before any cases are filed. In the 14 days grace it is likely no one will put a coin in the meters unless they so elect.

L. Van Perkins, member of the Board of Aldermen, said Marshall Terry will be the officer in charge of the meters.

"For a period of two weeks," Mr. Perkins said, "after the meters are put into operation all violaters of the code will be notified of their violations and how to correct such violation."

From this statement it can be seen the city has no immediate intentions of enforcing this ordinance. If after the two weeks, violaters are still to be on probation it looks pretty hopeless.

If any law is enforced in the city of Cameron, except issuing monthly checks, it would be a rare exception.

No fines are to be assessed either during the two weeks or thereafter until such time as Mrs. Canasta indicates she will vote for the men in power even though they put a tag on her car.

The parking meter system if given a chance would help Cameron. It

Midget Scores New High In Service To Its Advertisers

The Daily Midget has scored a new high in its service to advertisers. This time it has found a wife for a Cameron bachelor.

Ray Edward Gray, who works for the Gas Equipment Company in Cameron, wanted a good woman to make a home for him. The Daily Midget does just about everything else, so he said, "Why Not?" A classified ad found for him a lovely bride to be, and they will be married in one week.

In looking over th erecord of this newspaper, we find that we have located lost children, found homes for stray kittens, defeated bond issues, found men who are willing to work, and on one occasion organized a posse to locate a 10 year old child who had strayed off in the high weeds near a bus station, and now a good wife for a good man.

Mr. Gray, dark and handsome, said the ad cost him 92c. He said he had 500 telephone calls and had given over 200 interviews.

COUNTY TO GET 29.45 CENTS A POUND

The Agricultural Department announced today it will support this years cotton crop at an average price of $29.45 cents a pound it was reported here this morning by Alva E. Sanders, PMA Administrator for Milam County.

That is almost identical to the 1949 support price and is about 10 cents a pound below the current cotton market.

The department also issued a price support on rice at $2.05 a bushel. The average selling price on rice at the present is around $2. The 1949 price was $1.76 a bushel.

The 29.45 cents cotton figure is for 15-16 middling cotton and is an average of support prices which vary according to location, from a high of 30.23 in the eastern states to a low of 28.68 in the western states.

The report showed that 15-16 middling cotton was selling around 33.67 on July 15 and since the Korean war has started it has climbed to 39 cents a pound.

Farmers engaged in Milam County's major crop will realize additional income this year since the market has advanced around 6 cents a pound.

Mrs. Brock Will Attend Clerk Conference

Offices of the local Draft Board No. 92 now located in the Lippman Building, upstairs over the Archer Appliance Store will be closed Thursday and Friday of this week it was announced by the clerk, Mrs. James Brock.

Mrs. Brock will attend a clerk conference for draft board clerks being held in Dallas Thursday, Friday and Saturday of this week.

Mrs. Brock will open the office as usual Monday, August 7. She urges all who have questions concerning their classification or other information to report to the Draft Board Thursday, August 3.

18 MEN ARE CALLED UP FOR PHYSICAL

The Milam County Draft Board No. 92 has received a second call for men to report for induction physicals. The call was for 18 men.

The first call was for 12.

Mrs. Loretta Brock, clerk for the local board, said Tuesday morning that notices to report for pre-induction armed physicals will be mailed Tuesday or Wednesday of this week.

The 18 men will leave Cameron August 17 for the Recruiting Main Station of the U. S. Army and Air Force in Houston at 805½ Preston Avenue and will have their examinations on the 18th.

Mrs. Brock said that after a man has received notice from the local draft board to report for his pre-induction physical, he cannot enlist in any of the armed services.

Any person receiving notice of pre-induction physical and desiring information about such notice should report to the local board for such information.

The 12 men who were called last month will leave Cameron August 10 and have their physical on the 11th at the same location as designated for the men in the second call.

FIRST PRIZE WINNERS TO COMPETE HERE

The final talent show in a series sponsored by the Chamber of Commerce will be held in Cameron Friday night August 4 at 8 p. m. on the Court House lawn it was announced by Bill McIntosh, president of the local chamber.

L. G. Smith, manager of the chamber, said early this morning that all first prize winners of the past five shows will be eligible for the grand prize awards of $35 and $25 to be given away Friday night for first and second prizes respectively and also the second prize winners in the past shows will be sent a letter inviting them to appear on the program but will not compete for the grand prize awards.

Yoe High School Band will be on hand to give special music at various intervals.

Mr. McIntosh will be master of ceremonies and John C. Andres is chairman of the program.

Contestants to compete for the grand awards are: Willie and Billie Parcus of Maysfield, Patricia Zavrel of Buckholts, Don Bullock of Milano, Fred Collins of Burlington, and Charles Herbst of Gause.

These shows have been very popular in the county this summer and efforts made by the local chamber are commendable.

Clarkson Farmer Brings In Falls First Bale of Cotton

ROSEBUD, July 31.— Falls county's first bale of cotton was brought in here today by Marion Mitchell, farmer of the Clarkson community.

The 510 pound bale, ginned at the F. C. Schmidt gin here and bought by T. R. Depew, brought Mr. Mitchell $350.30, or about 70 cents per pound. There were 900 pounds of seed which brought $30 per ton.

As a premium, the Chamber of Commerce added $100 on behalf of Rosebud merchants to swell the grand total.

LOCAL BATTERY MAY FACE FOREIGN DUTY

The officers and enlisted men of Battery C, 649th Anti-aircraft Artillery Battalion, attending summer camp at North Fort Hood with other units of the 49th Armored Division, started the second week of training promptly at revielle at 4:45 A. M. on Monday morning in order to get through the heavy schedule planned for them.

At sunrise they were already out on the rifle range for firing with carbines or on the artillery range for firing with 40 mm. guns and machine-guns. The 40's and machine guns fired at moving ground targets and a high record of hits were scored by Battery C's gun crews.

On Tuesday revielle again was at 4:45 A. M. and all sections of Battery C were on the artillery range early for more 40 and machine-gun firing, this time at stationery targets.

All of this was in marked contrast to the program over the week end. On Saturday afternoon most members of the unit received passes and went back to the old home town to spend Sunday, returning to camp late that evening. Only a few Guardsmen on details such as KP, guard duty or charge of quarters remained in camp.

The schedule for the remaining days of training gives promise of being rugged. The highlight is an overnight bivouac in the field by the entire battery under simulated battle conditions. On returning to camp from this, the Guardsmen will receive their pay, get ready to break camp, and will return home sometime Sunday.

What Next Little Dog?

ROCKDALE— Over at Cameron they're installing parking meters on a trial basis, and I understand the meters are creating quite a bit of comment in the Friendly City. For instance a little stray dog of the Heinz 57 variety so prevalent in Cameron, spied one of the new meters for the first time the other day, remarked: "Gosh, you've got to pay now!"

Granddaughters, Becky and Cattilou, of Mrs. B. Slocomb, have returned to their home in San Antonio after a two months visit with their grandmother.

MARKETING CARDS NOW BEING PREPARED

Cotton Marketing Cards are now being prepared and will be available in the near future, advises Alva E. Sanders, Administrative Officer of the Milam County PMA. Producers should check their mail very carefully, as the Marketing cards will be mailed soon. All envelopes will be stamped **IMPORTANT.**

No marketing cards will be issued to any producer that is overplanted. The penalty for overplanting your allotment will be 15.5 cents per pound plus barring the producer from receiving any 1950 ACP payment. Any producer that has received prior approvals for any practice such as tanking, terracing, winter or summer legumes and etc., will owe for the amount the Government has furnished.

All disposed excess acreage must be measured; the fee for remeasuring the excess disposed per farm is a $2.00 minimum or $1.00 per plot of cotton whichever is greater. Overplanted producers have 15 days from the date of the overplanted notice in which to destroy their excess acreage of cotton.

Any Producer not fully understanding the Cotton Marketing Quota Procedure is urged to call at the County PMA Office and discuss what ever he does not understand.

Former Cameron Man Dies In Texas City

Emil Piske, 50, former resident of Cameron died in Texas City Monday, July 31, 1950. The body arrived in Cameron Tuesday and was carried to the Chapel of Green's Funeral Home where services will be held Wednesday at 2:00 P. M. with burial in the Vogelsang Cemetery.

Among his survivors are his widow of Texas City; one son, Lester Piske and one daughter, Mrs. A. L. Bucklew both of Texas City; two sisters; Zelma Piske of Austin and Mrs. Emma Yager of San Antonio; three brothers; Henry Piske of Little River and Hugo and Herman Piske of Yorktown.

PRICE INCREASE TO 37.9 ON EGGS HERE

Milam County egg producers are receiving approximately $3 a case more for their eggs since the storage cooler system has been made available at the Ideal Hatchery it was reported Tuesday by Leo Fuchs, manager of the Hatchery.

Farmers from Cameron and all surrounding communities have responded to this storage service and efforts made by Mr. Fuchs have been very appreciable.

Mr. Fuchs reported to this newspaper earlier this week that on a shipment of 110 cases to Dallas the average price per dozen was 37.9 which was more than 10 cents a dozen above the market price at that time. He said this new market will continue and farmers desiring a better market for their eggs may bring them around to the storage cooler where they will receive proper care and attention until shipment once a week to Dallas.

For several years egg production in Milam County has been one of the chief sources of income over the entire county and at one time Milam County was third among the counties of Texas in egg production.

Farmers are rapidly taking advantage of this service being offered.

Egg producers throughout the county are gradually awakening to the fact that progressive measures should be taken if egg production is to continue to be a main factor in the sourse of income for the county.

BOLL WEEVILS STILL MENACE TO FIELDS

Bill weevil control measures are still needed on many fields in Central Texas occording to the Blackland Experiment Station on weekly reports.

J. D. Moore, county agent, said this morning that weevil infestation was still rather heavy but if hot dry weather continued the insects will not do any considerable damage.

The report further disclosed that 260 fields were inspected in Central Texas and an average infestation for

(turn to page four)

J. B. WHITE LEADS IN JULY 22 VOTE TOTAL

Complete unofficial tabulation of the votes in Milam County was completed late Wednesday by County Chairman J. B. White and a complete list of races for state, district and county are listed today in contested as well as races not contested. Tables in contested local races have been published.

County Chairman White received the largest number of votes cast for any candidate in the county. He received 5985 votes.

Valter White, Assessor and Collector, was second high in the balloting having received a total of 5979.

L. H. Hillyer, County Surveyor, was third high man polling 5976 votes.

Carl Black, popular sheriff was fourth with 5971 votes and a tie with Grady Allen, District Clerk who also received 5971 votes.

BUILDING IN CITY SHOWS DECLINE

Building permits for the City of Cameron during the month of July totaled $11,100 according to W. H. Stafford, City secretary.

Mr. Stafford said that the total for July is largely for residence construction. Despite home building during the past five years Cameron still faces a critical housing shortage. Last month the city could not accomodate or did not arrange for temporary settlement here of some 17 families for an oil company.

The permit total was far below expectations and the total for the year will be about what the average has been for the past four years and at the end of 1950 new construction for the post war years total around $1,500,000 but is not reflected in increased property values for taxing purposes.

Home building in the city has developed suburban sites as has been true of post war expansion in all Texas towns.

Cameron needs modern business houses for rent and also needs modern residential rentals.

Also this months permits was the construction of an office building at the Southland Cotton and Oil Company, who a few months ago purchased the R. L. Batte Oil Mill Industries.

Water Department Moves To City Hall

The Cameron Water Department moved to the City Hall Monday, July 31, where offices have been set up in the Chamber of Commerce rooms and will begin business Tuesday morning in their new location, It was announced by the manager, L. W. Smith early Monday.

Mr. Smith said that citizens of the city will receive their first water bills from the City in the Tuesday morning mail. Water consumers are asked to present their bills at the new location and make payment.

Mr. Smith asks that the people cooperate with the Water Department in making the change in location.

MRS. FRANK VATER INSTANTLY KILLED

Mrs. Frank Vater, of Shreveport, Louisiana, is dead, and her 3 year old daughter, Nancy Earline, is seriously injured as a result of a car wreck two miles east of Maysfield on Highway 190 at 10:30 p. m. Thursday July 27.

Miss Rosaliene Vater, sister-in-law of Mrs. Vater, was also seriously injured.

Mrs. Vater and daughter and sister-in-law, were on their way home after visiting her husband, Corp. Frank Vater of Fort Hood.

According to officers, Mrs. Vater's car went out of control on a curve, and crashed into a concrete bridge, She was instantly killed.

The body of Mrs. Vater was at the Marek-Burns Funeral Home in Cameron awaiting shipment to Shreveport, where funeral services were pending. Nancy Earline and Miss Rosaliene Vater are in St. Edward Hospital where their condition was reported to be serious.

Mrs. Vater's death is the first highway crash fatality in Milam County in 1950, it was reported here by officers.

NEW CLASSIFICATION FOR DISCHARGED VETERANS

Men who have served in the armed forces have been classified in 4-A. This classification insured deferment for a large number of men who have been wondering about their status under the Draft.

Here is a release from the Milam County Draft Board.

1. A registrant who served honorably on active duty between December 7, 1941 and September 2, 1945 for a period in excess if 90 days in the Army, the Air force, the Navy, the Marine Corps, the Coast Guard, the Public Health Service, or the armed forces of any other country allied with the United States in World War II prior to September 2, 1945.

2. A registrant who served honorably on active duty between September 16, 1940 and June 24, 1948 for a period of 12 months or more in the Army, Air Force, Navy, Marine Corps, Coast Guard, Public Health Service, or the armed forces of any country allied with the United States in World War II prior to September 2, 1945.

3. A registrant who, after June 24, 1949, was honorably discharged upon the completion of a period of three years or more of active duty in the Army, Air Force, Navy, Marine Corps, Coast Guard, Public Health Service.

4. A registrant who is the sole surviving son of a family of which one or more son or daughters were killed in action or died in line of duty while serving in th earmed forces of the United States, or subsequently died as a result of injuries received or disease incurred during such service.

Annual Picnic For FHA Will Be Held Friday Night August 4

The Annual picnic for families who have purchased farms through the Farmers Home Administration will be held Friday night August 4 at the Cameron city park, it was announced by Roy Wright, county supervisor of the Farm Home Administration.

Invitations have been mailed from the Local FHA office to 28 families presently paying for their farms and to 5 families who have already paid for their farms.

Mr. Wright said that this picnic for FHA families has been an annual affair since 1940 and the picnic is held in order that the families might become better acquainted.

Games for the children will be held and Bingo with prizes will be played during the evening. An old time basket lunch will be enjoyed by the group.

MEN IN CLASS 1-A MUST REPORT CHANGES

Filling of the Texas draft quota of 2,513 men for September is being jeopardized by the fact that many men, now classified in 1-A have failed to report marriages and other changes in their circumstances, Brigadier General Paul L. Wakefield, state director of Selective Service, charged in a strongly-worded statement today.

"If we fail to furnish the number of men desired from this state, this failure on the part of many men will be the chief factor in that failure," General Wakefield said.

The state director said that many local boards are reporting that when they issue orders to report for physical examinations, many of the registrants are coming in with evidence of marriages that took place "many months before."

General Wakefield pointed out that if these men who have married had notified local boards imediately after the marriage took place, they would never have been sent an order to report for physical examination in the first place.

"We are operating with little time to get the job done demanded of us, "the general said. "The local boards, unless they want to declare such registrants delinquent, have to turn around and get out an order to report for physical examinations to the next man in order of age. All this takes time, and our local boards have a short deadline to meet."

Selective Service wants to "be reasonable about this situation," the state director said, "but we know that the

IMPORTANT TOWNS FALLING TO ENEMY

Allied reinforcements were reported to have landed in South Korea and immediately went into action trying desperately to stave off the Reds climatic assault in that section. Identity of the divisions that landed was not made known but it was presumed that they included some of the U. S. Marines.

The main Communist drive was directed against the western front—near Chinju, Kochang and Chirye. The Reds crashed through Kochang and knifed into the defensive anchor of Hamchang on the north.

North Koreans were raining hammer blows on the front before the vital communications center of Taegu, through which supplies funnel on the main highway and rail routes from Pusan. The Southern drive increased the threat to Pusan itself.

The communists are driving frantically, apparently trying to reach the U. S. supply port at Pusan before the Americans can build up their fighting strength.

An informed headquarters officer told the Associated Press the North Koreans would have to obtain their battle decision "in two days."

He said this was due to the build-up in American strength and reduction in Communist striking power. The mention of the buildup of forces could mean that the Cecond Infantry Division or the Marine Division which sailed from the United States three weeks ago for the Far East may be ready to join the three embattled divisions already in Korea.

General Douglas MacArthur's headquarters estimated the Reds had built up their invasion army to 200,000 men. This was done, headquarters said, through "frantic mobilization" in a desperate effort to gain a quick knockout.

MacArthur expressed confidence the Americans could hold off and turn back the massive "climatic" Red thrust along the entire line.

U. S. Eighth Army headquarters said the American lines in the Kochang area withdrew intact before the Red assult and were holding east of the town. Mustang fighter pilots told Whitehead North Korean dead were strewn "like confetti" along the roads to Kochang and Red trucks drove over the bodies on their way to the lines.

The Red thrust on Chinju, 55 miles west of Pusan and the same distance southwest of Taegu, also was a flanking threat to the supply lines to the front.

Tanks and armored cars headed North Korean infantry in the 30 mile push to Chinju from Hadong.

At Chinju, the Communists used 19 tanks in several atacks. Fourteen tanks were destroyed.

American aerial observers said U. S. troops were pulling out of Chinju and setting up defensive positions to the east. General MacArthur's early Monday afternoon operational summary appeared behind field dispatches. It said the "defense of Chinju is being conducted by combined South Korean and American troops."

Pilots reported spotting a mile long column of troops and vehicles led by 12 tanks advancing on Chinju from Hadong, 20 miles to the southwest.

This force was expected to enter the crucial Chinju battle against the U. S. 24th Infantry Division shortly. A breakthrough in this sector to Pusan or its vicinity would endanger the whole U. S. operation in Korea.

Berry C. Caldwell Transferred To Griffin Air Base

Berry C. Caldwell will soon be transferred to the Griffin Air Force Base in New York for an indefinite period it was disclosed to his parents of Cameron, Mr. and Mrs. B. C. Caldwell, Monday.

He is now stationed at Robbins Air Force Base in Georgia where he is engaged in the field of radar, and he hopes some day to become a radar technician.

Berry is formerly of Cameron and attended Yoe High School where he was an athlete on the Yoeman team.

CHAS. BROWN KILLED AT SNYDER SUNDAY

Charlie Brown, Jr., 44, colored, was killed instantly in the Scurry County oil field near Snyder on Sunday July 23.

It was said here that Brown was killed when a pipe cleaning machine fell on him.

He had been employed by the Wright Construction Company for the past eighteen months and had lived in Clovis, New Mexico until recently. He was born and reared in Cameron and was at one time employed by Swift Theatres and Barber shops here.

Funeral services were to be held Wednesday July 26 from Lights Chapel Baptist Church at 2 p. m. by Rev. T. M. Sparks of Mexia, former pastor at the church.

Interment will be made in the Cameron Cemetery with the Dorsey Funeral Home directing arrangements.

Rev. O. A. Lilly is pastor of the church at present.

Surviving are his widow, Ruby Rae Brown, his mother, Georgia Brown; three sisters, Juanita Pollard, Charlie Belle Griffin, and Ruthie Mae Swain.

Mrs. A. J. Lewis visited in the Giles Avriett home in Austin Wednesday and also visited Mrs. Avhiett who is ill and a patient at St. Davids Hospital. Her many friends here will be glad to know that she is improving.

Mr. and Mrs. R. G. Grabein and daughter Nancy are vacationing in New Mexico. Cards received by friends indicate they are having a wonderful trip.

I'm Sold on my ELECTRIC LAUNDRY

No more washday drudgery for *me!* Doing the laundry is a simple matter of flicking a switch with my work-saving, time-saving modern electric equipment.

Washing is actually a pleasure with my new automatic washer! I put in the clothes and soap . . . set the controls . . . the washer does the rest, even to damp-drying.

Thanks to my automatic electric dryer, my clothes get dry in any kind of weather! There's less wear and tear on clothes . . . no lugging heavy clothes to the line or lifting to hang them up.

My efficient ironer lets me do the ironing sitting down . . . and do it *faster, easier* and *better* than by old-fashioned hand methods.

And would you believe it? . . . my electric laundry operates for only a few cents a week!

Make light of *your* washday worries! See the new washers, dryers, ironers at your electrical dealer's.

TEXAS POWER & LIGHT COMPANY

REDS SWEEPING BACK OUR ARMY IN KOREA

TOKYO, July 26. Communist troops have loosed a lightning drive along Korea's south coast which has swept to within 70 miles of the main supply port of Pusan, late reports said today.

The North Koreans cut loose with this punch while exerting heavy pressure all along the front, overwhelming strategic Yongdong and driving the American defenders two miles to the east.

The late reports to Tokyo said one spearhead of the reds' fourth division had reached the edge of Hadong, near the south coast and only 70 miles west of Pusan on the southeast coast.

The good rail and highway city of Sunchon on the south coast, with its peninsular port of Yosu, had been bypassed in this eastward lunge.

At Hadong the reds were 15 miles northeast of Sunchan and 75 miles south of American positions near Yongdong. Another spearhead of the southwest of Sunchon.

Another column in this same wide sweep has pushed along an east-west road to Hamyang, which is due north of Hadong and 44 miles south of Yongdong, the late reports said.

Thus the reds had three prongs headed toward Pusan across the bases of the shrinking U. S. positions in South Korea. At least 2,000 more red troops were massing to the rear of these columns.

The air force was called out for day and night strikes in an attempt to stem the rolling red tide.

Heavy damage was reported by allied warplanes which took advantage of clear skies and blasted at targets behind the front. Thirty one bridges were bombed and six tanks were destroyed or damaged.

The strikes followed the first night attack missions by U. S. jet fighters. Round-the-clock bombings were on the schedule to aid the outnumbered and hard-pressed ground forces.

Eight enemy divisions, possibly 50,000 to 75,000 men, kept up relentless pressure along the shrinking front. They were presing outnumbered U. S. and South Koreans back closer to Pusan, the major southeast port.

Game Specialist Is Rotary Speaker

R. E. Callender was guest speaker at the Rotary Club Wednesday July 26.

Mr. Callender, District Wild Life Conservation and Game Manager gave an interesting talk on the importance of observing Game Laws. He talked about how fish ponds should be adequately supplied. He said that many people over supply fish ponds and thus the fish never grow to be of any considerable size.

Mr. Callander said that Milam County people had been very cooperative in abiding by the wild life laws. He was guest of J. D. Moore, county agent, who introduced him to the club.

New Arthritis Serum Discussed at Nurse's Meeting Tuesday Night

The Graduate Nurse Organization of Cameron and surrounding communities met Tuesday night at the Milam Coffee Shop for a round table discussion.

Mrs. Frances Michna, Head of the Nurse Staff at the Newton Memorial Hospital, gave a most interesting and educational talk on the new medicine used on patients who are suffering with arthritis and also brought out in her talk how successful this new serum had proven.

The new medicine used in the treatment for Rheumatoid Arthritis is ACTH. This medicine was used on a volunteer patient in Cameron at the Newton Memorial Hospital for experimental purposes and Mrs. Micha indicated in her lecture it had been most successful.

After the lecture and business hour, refreshments of pie and coffee were served.

The next meeting will be held the last Tuesday in August at the home of Mrs. Cynthia Saage in Rockdale. All members are urged to attend and take part in the discussion.

KNIGHTS OF PYTHIAS MEET

The rank of Knight was conferred upon Dana Kestenbaum, Richard Moseley and James A. Cryer at the Monday night meeting July 24.

The rank of Esquire will be conferred at the next meeting it was announced by J. M. McLean.

Dr. Jack Kilgore and wife of Baylor University were Sunday guests in the home of Mr. and Mrs. W. M. Fanning and family. Dr. Kilgore is a returned missionary from Argentina.

Deadline For Cotton Classing August 1

Farmers have less than a week to file their applications for free government classing and market news service it was announced this week by John Doremus.

Mr. Doremus is in charge of the local cotton classing office, U. S. Department of Agriculture's Production and Marketing Administration.

August 1 is the deadline for filing applications for these services due all farmers who belong to organized cotton improvement groups.

Last year about 35 per cent of the cotton ginnings in this area were classed by the Austin office. This cotton was classed for farmers without cost under the Smith-Doxey Act, Mr. Doremus reported.

Applications should be mailed to P. O. Box 1140, Austin 62, Texas.

THE CHEAPEST SUMMER COMFORT MONEY CAN BUY

INSTALL A Reed WINDOW FAN

YES, it's summer comfort at its best . . . economical too when you install the convenient Reed Wind-O-Vent. And you'll enjoy the quietness, dependability and trouble-free service for many summers to come. The Reed Window Fan above is shown with the attractive, useful Divert-O-Vent. Finished in light ivory enamel, the Reed Wind-O-Vent is an attractive addition to every home.

BOLL WEEVILS—
(Continued from page one)

Boll weevil was found to be 18 percent.

The average percentage of punctured squares in Milam, Bell and Williamson Counties was 21 percent. Some of the fields were treated and others did not use control measures.

Acording to the report there was also a reduction in the fleahopper infestation in this area with the percentage being very low and also a few scattered injurious bollworms have been reported but that on the whole insects are causing relatively light damage to Milam county farmers.

Mr. Moore said that it would be beneficial for farmers to continue to examine their fields at frequent intervals and take measures to control the bollworms.

Mrs. Morris Cross and daughter, Tracy Ann, visited recently with Mrs. Tracy Hobson.

Morris Coward of Marlow was a business visitor in Cameron Thursday.

Billy Wayne Angell, son of Earl Angell, Cameron, Route 3, is a patient in Memorial Hospital this week.

Ben Arnolds Old Settlers Reunion Held At City Park

Approximately 150 persons attended the fourth annual old Settlers Reunion of Ben Arnold on Sunday July 29 held at the city park in Cameron.

Everyone spent the day visiting together and renewing old acquaintances.

A picnic lunch was served and people from Temple, Waco, Belton, Austin, San Antonio, Marlin and Baytown and other nearby communities were present for the occasion.

J .A. Henderson and Miss Kate Sproull were re-elected president and secretary-treasurer respectively for the coming year.

Plans were made for next year's reunion to be held the third Sunday in July at the same place.

Mr. and Mrs. Lavon Euling of Temple and Mr. and Mrs. Albert Drozd of Cameron attended a Barbecue in honor of E. E. Smith who is joining the navy.

Miss Betsy Caperton, daughter of Mr. and Mrs. Narvie Caperton, and aunt and uncle, Mr. and Mrs. S. B. Morris of Temple, are vacationing in Amarillo this week.

Miss Joan Carter is visiting with relatives in Oklahoma & West Texas.

To The People Of Milam County

I want to express to the people of Milam County how grateful I am for the splendid vote given me on Saturday July 22.

I deeply appreciate and highly esteem the confidence you have placed in me and I will continue to devote my entire time to the office of County Treasurer.

Vera Fisher

COUNTY TREASURER

COUNCIL ERUPTS—

(continued from page one)

Mayor a pasting as he unfolded what he said was resentment on the part of the aldermen over Mayor Green's failure to go along with progress. Mr. Perkins shook his finger at the mayor and told him in no uncertain tones, "this thing has got to stop." Mr. Green, apparently surprised to encounter such talk from the council, had very little to say.

Mr. Perkins asked the Mayor, pointedly, if he intends to or not enforce the meter ordinance, to which Mayor Green replied that he would. Mr. Perkins then turned, pointedly to City Marshal, Joe Richter and asked him the same question. The marshal said he would enforce the meter ordinance.

The proceedings thus far merely furnished the stage upon which was unfolded all kinds of resentment. The question of law enforcement was discussed and it is a notorious fact that open gambling and other forms of illegalities have flourished here for years. Such things as traffic laws and other regulations have had so little attention in the city that any kind of enforcement would be a rare exception to the rule.

Mr. Perkins said for 25 years the city government has been a joke.

Mr. Perkins turned to a representative of this newspaper and said, "the other day this man wrote in his newspaper that we are operating under Mosiac Law, it is worse than that and I want him to publish in tomorrow's issue just what was said here tonight and what the council did about it."

Mr. Perkins asked the Mayor whether or not he has ever held a session of court and the mayor said he did not remember. He then turned to City Secretary, W. H. Stafford and asked whether the mayor ever held court and the secretary said "No."

From this point on Mr. Perkins who was speaking for all members of the council, it was said later, went on to say that Mr. Green refused to cooperate in the matter of taking over the Water Company and it cost the taxpayers $2,000.00 in revenue.

The council then voted to instruct officers to enforce the meter ordinance beginning at 8 A. M. Wednesday morning August 2.

The Mayor requested a private office. He was then asked by alderman Perkins, if he would pay rent at the rate of $30 per month.

Bob Terry, member of the City Council, said he thought the mayor should have an office but since the city had been doing business "here in the open" he saw no reason why they could not continue to do so. The mayor said he would pay $30 a month for a private office. No further action was taken on this matter.

The Mayor and Marshal will have little option about enforcing laws but enforcing laws in Cameron would certainly be an innovation, since this matter has come so prominently to the surface, it will be interesting to see whether there is any change or will everybody settle down and let the wind out of their stomachs and go back to doing business as usual.

Mayor Green in his race for the nomination last February issued a one plank platform to reduce the sewer tax. He said he wanted to stand between the poor people and this vicious tax. So far he has never brought this matter to the attention of the council and he was reminded of this fact last night.

Mr. Green said "I will submit this to a vote." No vote is required to levy a sewer tax for maintainence purposes, only for retiring bonds. The council has authority to fix a tax for use of the system at any figure it desires.

Folks who live in the privy areas don't pay any sewer tax.

At the conclusion of his talk, Mr. Perkins said the matter of a charter commission will come up at the next meeting.

Cameron will never make any progress until cooperation is had. Nobody with any sense at all expects anything now except confusion and retrogression.

Will we keep things like they are?

Style Show Set For August 10 At Specialty Shop

August 10 has been announced as the date set for a big style show sponsored by the Specialty Shop to be held at the Cameron Theatre at 10:30 a. m.

The style show gives a preview of what will be worn throughout the country this fall. It would be of special interest to college girls as well as other women and girls of Cameron and vicinity who are interested in wearing the stylish, yet economical, garments which will be in demand by women and girls all over the country this fall.

The public is cordially invited to attend.

Six Men Fined For Drunken Driving

Six cases of driving while intoxicated were filed in the office of the County Court in recent weeks.

They were Jim Holland, Frank Marian Maffitt, Edmond Lynn Whited, Eddie Lee Givan, Wilbur Payton Farrel and James C. Price.

In each case a punishment of $50.00 plus cost of court and license suspended for a period of six months were rendered.

CITY IS TIMID—

(continued from page one)

is now pretty certain it will not be given a good chance to succeed.

Elaborate precautions have been taken to allot liberal curb space for what is known as "no parking" and "loading zones." Years ago when the city permitted the closing of its alleys it hereby announced its intention to be a one horse village with the apples in evidence. Henry Ford was years ahead of them.

A zone near the City Hall has been reserved for City Police and the State Highway Patrol. Thus at a moments notice ace operatives of the local constabulary can break away and be at the scene of the crime after the bodies and debris have been cleaned up and everybody has gone home for the night.

If when you park your car at a meter you see an officer approaching you with his hat in his hand and sort of trembling like, you will know he is carrying out the instructions of the city council. "To be kereful and don't make nobody mad."

Witness this statement by alderman Milktoast: "It is believed by the city council that our citizens will soon become accustomed to the use of the parking meters and that they will go a long way in the control of a serious traffic problem in Cameron.

Nancy Earline, little three year old daughter of Corp. Frank Vater of Fort Hood and Miss Rosaliene Vater of Shreveport, Louisiana who were seriously injured in a car accident that instantly killed Mrs. Vater were returned to their home in Louisiana the past Sunday. They were reported improving. Funeral services for Mrs. Vater were held at 4 p. m. Monday, July 31 in Louisiana.

You're a *Man Alive...*

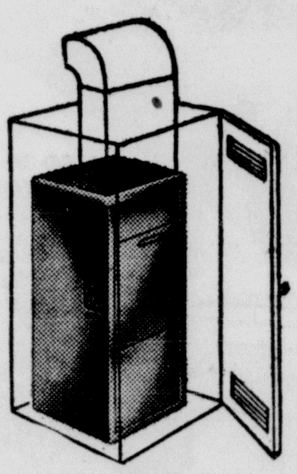
...when you've slept in the comfort of Forced Air Central Gas Heating!

Owners say that *man alive* feeling early in the morning is a stirring experience, after modernizing their present home or building a new home with a forced air central gas furnace.

As you climb into bed a forced air central gas furnace drops room temperature to a fuel-saving, comfortable sleeping level. No windows to open. No heavy bedcovers necessary. Your entire family is snug under light covers in the chill-free, fresh from the out of doors air the furnace circulates all night.

When the alarm goes off, your home is luxuriously warm again—automatically. You've rested better. You're invigorated. Man, you're alive.

And you will agree when you read the facts below, forced air central gas furnaces are practical! Why not see your heating contractor or Lone Star Gas Company, today?



...so practical!

...Forced air central gas furnaces like the one shown here are installed in a small closet. Other types are installed in the attic, under the floor, in walls.

...Planned as part of a home, forced air central gas furnaces add two or three dollars to monthly payments—so little difference from a house with *no heating equipment.*

...For your present home you can get a forced air central gas furnace installed for a small down payment. Convenient monthly payments up to 36 months are available.

...Don't delay! Get your equipment now to avoid delay, discomfort and inconvenience which will occur if you wait until winter.

Mrs. Gilford Thweatt Injured In Collision Near Cameron Monday

Mrs. Gilford Thweatt of Maysfield wes seriously injured Monday morning as she was on her way to work in Cameron.

The accident occured when Mrs. Thweatt attempted to go around a gravel truck which came to a sudden halt a few yards ahead. Loose gravel apparently caused the back of her car to collide with the truck.

Mrs. Thweatt is suffering severe injuries to her neck and is compelled to wear a cast besides ugly bruises.

The new Hudson she was driving was considerably damaged. The right side nearest the truck was badly bent and the door was completely torn off.

The gravel truck was undamaged.

Mrs. Thweatt is employed at the J. C. Penny Store as a counter attendant and has served in that position for a number of years at this popular store.

Mr. and Mrs. T. C. Gunning visited Mrs. C. N. Green, and daughter, Mrs. Denning of Haughton, Michigan recently.

Former Milam County Resident Author Of "Book Of Poems"

Mrs. Milton Schulz of Houston, former Milam County resident, is the author of the book, "Song Of The Leaves and other Poems" and the book was published recently.

Mrs. Schulz, known here as Berta Burke, is the oldest daughter of J. C. Burke and the book was written chiefly of her old ancestral home on the San Gabriel River her birthplace and other members of her family.

Inspiration was drawn from true incidents and experiences with bits of history woven in. Her subjects are her children, home, family and nostalgic memories of the past as well as brief little modern philosophies simply expressed. The Houston Chronicle has published a number of Mrs. Schulz poems from time to time.

Mrs. Schulz friends here are happy to learn of her publication and will be glad to know that copies will soon be available.

Mrs. Schulz is a member of Texas Pen Woman's Club and the Poetry Society of Texas. David Russell is president of the Society. She is also a member of the Highest Woman's Club and the U. D. C.

Alton Schulz, publisher of the Temple Telegram, is the son of Mrs. Schulz, and Adrian G. Schulz, who works with the Houston Power and Light Company is also a son of the Author.

Miss Jean Edmunds Becomes Bride of J. Z. Krall Here

The marriage of Miss Jean Edmunds, daughter of Mrs. Ida Edmunds of Cameron, and J. Z. Krall, son of Mrs. Minnie Krall of Buckholts, was solemnized at First Baptist Church at 10 a. m. Thursday, July 20. Rev. P. A. Corkern, pastor of the church, performed the double-ring ceremony before an altar decorated wth baskets of white gladioli.

The bride, given in marriage by her brother, Don Edmunds, was attired in a white two-piece street length dress, and choose navy and white accesories. Her corsage was of white gardenias.

Attendants of the bride and groom were Albert Edmunds, brother of the bride, and Miss Edna Myrtle Angell, who wore an aqua, street length dress and white accessories. She wore a corsage of carnations.

For the wedding trip, the bride wore a pink, street length dress with white accessories and a corsage of gardenias.

The couple spent their honeymoon in Galveston and other points of interest. They will make their home in Cameron where both are employed at Swift Theatre.

Mrs. Krall graduated from Yoe High School and Mr. Krall is a graduate from Buckholts.

INTRODUCING

James Howard, seven pound son of Mr. and Mrs. Arnold W. Kirk af 701 West 3rd street born Monday, July 31, 1950 at St. Edward Hospital. The mother will be remembered as the former Reba Coats. Grandparents of the baby are Mr. and Mrs. Clarence Coats of Cameron and Mrs. Marvin Kirk of Milano.

Miss Gloria Halberdier And Henry Fortenberry Are Married July 22

Miss Gloria Mildred Halberdier, daughter of Mr. and Mrs. August Halberdier of Cameron, and Henry Dolan Fortenberry, son of Mr. and Mrs. H. D. Fortenberry of Bogalusa, Louisiana, were married in a candlelight ceremony of First Baptist Church in Cameron 8:00 P. M. Saturday.

Rev. C. W. Sanders, pastor of Hearne Baptist Church, officiated at the double ring ceremony, at which time the bride and groom presented each other with yellow gold wedding rings.

A background of palms and floor baskets of pink asters and two candelabra with white tapering candles with an arrangements of asters and palm leaves on each. Asters and palm leaves were also used to mark the reserved section.

The nuptial music was played by Mrs. Francis Cox who played "Romance" by Rubenstein, "Evening Star" from the opera, "Tannhauser" by Wagner, "Romance" by Wieiawki. For the processional, the organist played Lohengrin's Bridal Chorus by Wagner and for the recessional, she played Mendelshon's "Wedding March." Mrs. Cox wore an aqua lace dress and corsage of deep rose carnations. Miss Norma Jean Barcate of Houston, sang "Because" and Miss Evon Morvant, Houston sang "Always."

Given in marriage by her father, the bride was beautifully attired in a gown of imported Chantilly lace over Skinner satin, fashioned with V-shaped neckline and tiny satin covered buttons down the front of the bodice. Her long tapering sleeves of lace terminated in points over her hands which fastened with tiny self-covered buttons at the wrists. Her full flared skirt terminated into a wide circular train. Her finger tip veil of illusion fell from a halo decorated with small gardenias on each side. She carried a white Bible topped by an arrangement of gardenias and dainty satin streamers. Her shoes were of white satin. For something old, the bride wore a signet ring 3 generations old, belonging to her Grandmother Bailey; for something borrowed, she carried a white Bible, the property of Kenneth St. Clair.

The bride was attended by Mrs. Norris Brady of Ft. Worth as matron of honor. Bridesmaids were Mrs. Ann St. Clair of Temple, and Mrs. Dudley Gulliot, sister of the groom from Bogalusa, Louisiana.

The matron of honor wore a dress of green organza fashioned with fluted collar over which she wore long matching mits and carried a crescent shaped bouquet of red asters.

The Bridesmaids dresses were fashioned identically to the Matron of honor's. Mrs. Ann St. Clair wore a dress of orchid organza and carried a crescent bouquet of yellow asters, and long matching mits. Mrs. Dudley Gulliot was attired in yellow organza and carried a crescent bouquet of orchid asters with yellow organza mits.

Louis Pittman of Bogalusa, Louisiana, attended Mr. Fortenberry as best man. Norris Brady of Fort Worth and Theldert Crittenden of Cameron served as ushers and candlelighters. Mrs. Thelbert Crittenden of Cameron presided at the bride's book at the church.

Immediately following the ceremony a reception was held at the home of the bride's parents. The table was covered with a lace cloth with informal arrangement centered by the very beautiful twin heart wedding cake decorated with roses and other flowers with the names, "Buck and Gloria" spelled in silver on the top. The flower arrangement on one side of the table was of pink asters. The crystal punch bowl was located at the opposite end of the table. Those serving the refreshments of wedding cake and punch were Miss Edith Johnson, of Houston, Miss Ruth Turner, Cameron, Miss Mary Neil McClellan of Cameron, and Mrs. C. L. McLendon of Kilgore.

Misses Corine Massey and Edith Baldridge displayed the many beautiful gifts. Miss Ethel Rae Sampson of Temple presided over the bride's book, and Miss Bernice Boysen of Houston was receiving hostess.

In the receiving line were Mr. and Mrs. August Halberdier, parents of the bride, Mr. and Mrs. D. H. Fortenberry, parents of the groom, Mrs. Norris Brady, Matron of Honor, and bridesmaids, Mrs. Ann St. Clair and Mrs. Dudley Gulliot.

During the reception the couple presented each other with their wedding gift, his being a gold tie clasp and hers a pearl necklace.

Mrs. Halberdier, mother of the bride, wore a navy dress with black accessories excepting her white gloves. Her corsage was white gardenias.

Mrs. Fortenberry, mother of the groom, wore a navy dress with black accessories excepting her white gloves and wore a corsage of white asters.

The couple left immediately after the reception for Bogalusa Louisiana where they will live in their new home. For the trip, the bride wore a blue suit with white accessories and a gardenia corsage.

Mr. Fortenberry attended school in Bogalusa, Louisiana, and was in the 30th Division of the Army in World War II 19 months with 9 months overseas in Holland, Belgium, France and Germany. He is now employed as a diesel mechanic for the Railroad Co. in Bogalusa. Mrs. Fortenberry graduated from Yoe High School and was employed for two and a half years in the office of the Red Cross at McCloskey for 2 years with the Federal Bank in Houston and was recently employed as Secretary to the Bell Co. Surveyor in Temple.

Out of town guests were Mr. and Mrs. G. T. Colvin, Fort Worth, Mrs. Ethel Sampson, Miss Ethel Rae Sampson, Mrs. Ann St. Clair, Kenneth St. Clair, Mrs. Vallies, and Mr. and Mrs. Watkins all of Temble, Mrs. Henry Bailey, Lexington; Mr. and Mrs. A. M. Boysen, Miss Bernice Boysen, Miss Elsie Boysen, and A. M. Boysen, Jr., all of Houston; Mr. and Mrs. M. Chancey, Temple; Mr. and Mrs. C. L. McLendon, Ann McLendon, and Terry McLendon all of Kilgore; Mrs. Johnson, Miss Edith Johnson, Miss Norma Jean Barcate and Miss Evon Morvant all of Houston; Mr. and Mrs. G. L. Terry, Lucille Terry, and Mr. and Mrs. Miller all of Calvert; Mrs. Rosalie Eskew, Pasadena; Mr. and Mrs. H. D. Fortenberry, Mrs. Dudley Gulliot, and Louis Pittman, all of Bogalusa, Louisiana, Rev. C .W. Sanders, Hearne, rs. Earl Wright, Robstown.

Mrs. J. Z. Krall Is Given Tea Honor As A Recent Bride

Mrs. J. Z. Krall, recent bride, was honored by Mrs. Charles Maddox with a miscellaneous tea shower at the Maddox home at 1705 North Jackson Avenue, Cameron, Wednesday, July 19 from 7:30 to 10:00.

Miss Ida Joyce Baggerly received the guests at the door and introduced them to the bride, after which she displayed the many lovely wedding gifts received.

Miss Frances Sebesta presised at the bride's book and Mrs. Charles Maddox was in charge of refreshments, which consisted of sandwiches, cup cake and punch. Small cards inscribed "Jake and Jean" and the wedding date, July 20, 1950 on the inside were used as plate favors.

Approximately 25 came to wish success for the bride.

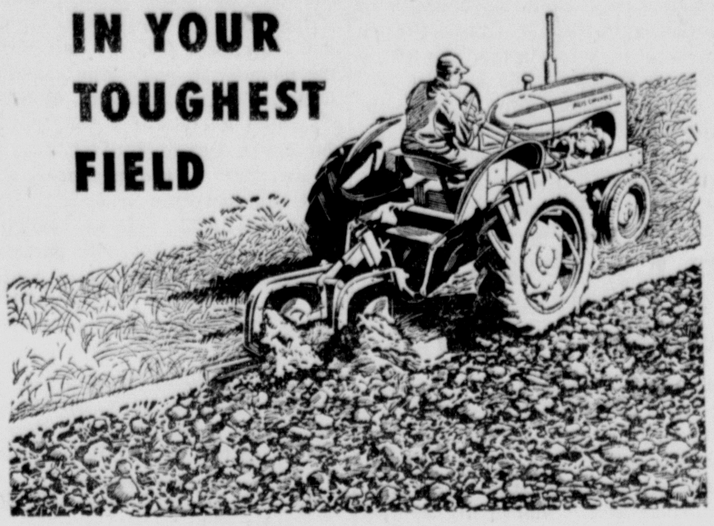
WE'D LIKE A DATE IN YOUR TOUGHEST FIELD



with the WD and mounted plow

So much has been said about plows and plowing, that talking can't prove anything. But we know the performance of this outfit will. Let us demonstrate the Allis-Chalmers WD Tractor and 2-bottom mounted plow. If you have a tough field that needs a real plowing job, we can show you:

- An outfit that plows your fields the way you want them plowed.
- A tractor with that extra power you've been wanting.
- A hydraulic traction booster that really works.

May we demonstrate?

Rosebud Waits Bright Lights

Work in nearing completion for Rosebud's White Way, the street lighting project being done by the Southwestern Electric Service Co.

When the lights are turned on there will be 36 standards, each 25 feet high topped by the new mercury vapor lights of 16,000 lumens each lamp using new selfsupporting aeriel cable. In all, the very latest type of street lighting will be used.

The lights will be operated by electric time switch control, and part of them will burn all night while the others will burn until midnight. They will all be controlled by a system of automatic relays and time switches.

The lights will extend down Main Street on both sides of the street, down the streets passing the City Hall and leading to the Brown Memorial Library, and down Fifth Street, part of the new Highway 77, for two blocks.

Mr. and Mrs. J. T. Parma are leaving Cameron today for a trip to Detroit, Chicago and on to Canada. They plan to purchase a new Chrysler and drive back. They will be gone about 10 days.

To The People Of Milam County

It is with deep gratitude and appreciation that I extend my sincere thanks to the people of Milam County for the splendid vote given me on Saturday July 22 in my unopposed race for your County Judge.

I want to say to each voter personally I appreciate your confidence and support and I will continue to serve you faithfully in the future. I want the people of Milam County to know how grateful I am to them for their continued support.

DAN TYSON

COUNTY JUDGE

KOREAN INVADERS BEAT U. S. FORCES

TOKYO, Friday, July 28,— North Korean invaders beat steadily against U. S. 25th Division defenses north of Yongdong Thursday in a preliminary to an expected Red smash on the central Korean front.

A fierce frontal attack looked for on the center by American 1st Cavalry Division troops astride main roads and rails outside Yongdong had not developed Thursday night.

The northern fighting, which may be either diversionary or a major breakthrough attempt, was reported in field dispatches to Tokyo.

At that time no major infantry contact had been reported on the 1st Cavalry front but U. S. artillery and supporting planes kept a harassing fire on Red position astride the main communications line to the southeast.

The North Koreans aimed three menacing columns of tanks and manpower from at least two crack divisions at the central battlefront.

The attacks north of Yongdong were above the point where the 1st Cavalry defenses adjoins those of the 25th division and South Koreans, who hold the line to the sea on the east.

The Communist's mounting offensive— built up in hours of darkness —was aimed frontally and with left and right hooks against the foot soldiers and artillery of the U. S. 1st Cavalry Division.

The Cavalrymen were dug in on hill position outside Yongdong, some 95 miles northwest of the main United States supply port of Pusan on Korea's southeastern top opposite Japan.

Field dispatches spoke of the American Defenders in this sector as outnumbered five to one. The Red Koreans with two full divisions in the line would muster 12,000 or more men.

After a flying visit by General MacArthur to the front Wednesday, there was speculation in Tokyo that he had reached new decisions with his top field commanders on how to hold what's left of South Korea until United Nation's forces can be built up for a counter offensive.

Last Rites Held For Bailey A. Guess, 99

Bailey A. Guess, 99, a resident of Rogers died in Lubbock Memorial Hospital at 1:30 a. m. Monday, July 30, 1950. Mr. Guess was a retired farmer and had been ill two weeks prior to his death.

Survivors include one daughter, Mrs. Jack Ashcraft of Lorenzo, Texas and three sons, Bailey Guess of Ida Lou, Allen Guess of Baton Rouge Louisiana and Brister Guess of Rogers. Also 21 grandchildren and 40 great grandchildren survive.

Funeral services were held from the First Baptist Church in Rogers Monday afternoon, July 30. Rev. J. N. Lunsford officiated. Burial was made in the Rogers cemetery with Marek-Burns Funeral Home in Cameron making the arrangements.

Mr. and Mrs. Layon Euling of Temple and Mr. and Mrs. Albert Drozd spent Sunday in Waco.

Mrs. W. J. Woods of Cameron visited in Kerrville while on vacation this week.

McLellan Says He Will Vote For White

Austin, July 28. Charlie McLellan of Eagle Lake, who missed getting in the runoff for Commissioner of Agriculture by approximately 7,000 votes, will vote for the man who edged him out of second place, John White of Wichita Falls.

White will challenge the incumbent, J. E. MacDonald, in the second primary August 26 .

Adeline Senkel spent a day with Mrs. Pearl Drozd recently.

Mr. Link Robinson, 519 Lindsey ... one most content and satisfi... man in Newport, Ky. In fact, ...ays there isn't a thing in the ...orld that can irritate or upset ...m now that he is on the HADACOL band wagon. If there ever was a man who thought HADACOL is the most wonderful thing in the world, it is Link Robinson, since he learned that his system lacked Vitamins B_1, B_2, Iron, and Niacin.

Here is what Mr. Robinson has to say about HADACOL, which is now supplying liberal quantities of these essential elements: "I have been a steel worker for over twenty years. When you are a steel worker, you have to do plenty of good, hard work, and you need lots of good, substantial food. But when a stomach is in as bad a shape as mine was . . . I couldn't eat, I had gas pains, stomach bloating and nervousness; well, I just couldn't eat the proper foods I needed. My boss told me about HADACOL and I started taking it immediately. After the second bottle I could tell a definite improvement. Now I can eat the foods I need to eat to really be on the job. In fact, I can eat anything I want to. I am not nervous anymore, either. Best of all, I haven't got those terrific gas pains and no more stomach bloating. HADACOL is the best ever. I recommend HADACOL to everyone."

HADACOL Is Different

Countless thousands are benefiting from HADACOL . . . even hundreds of doctors are recommending HADACOL to their patients whose systems lack Vitamins B_1, B_2, Iron, and Niacin. HADACOL is so wonderful because HADACOL helps build up the hemoglobin content of your blood (when Iron is needed) to carry these precious Vitamins and Minerals to every organ, and every part of your body—to the heart, liver, kidneys and lungs, even to the eyes, hair and nails.

Give remarkable HADACOL a chance and if you don't feel better with the first few bottles you take—you get your money back. Only $1.25 for Trial Size; Large Family or Hospital Size, $3.50.

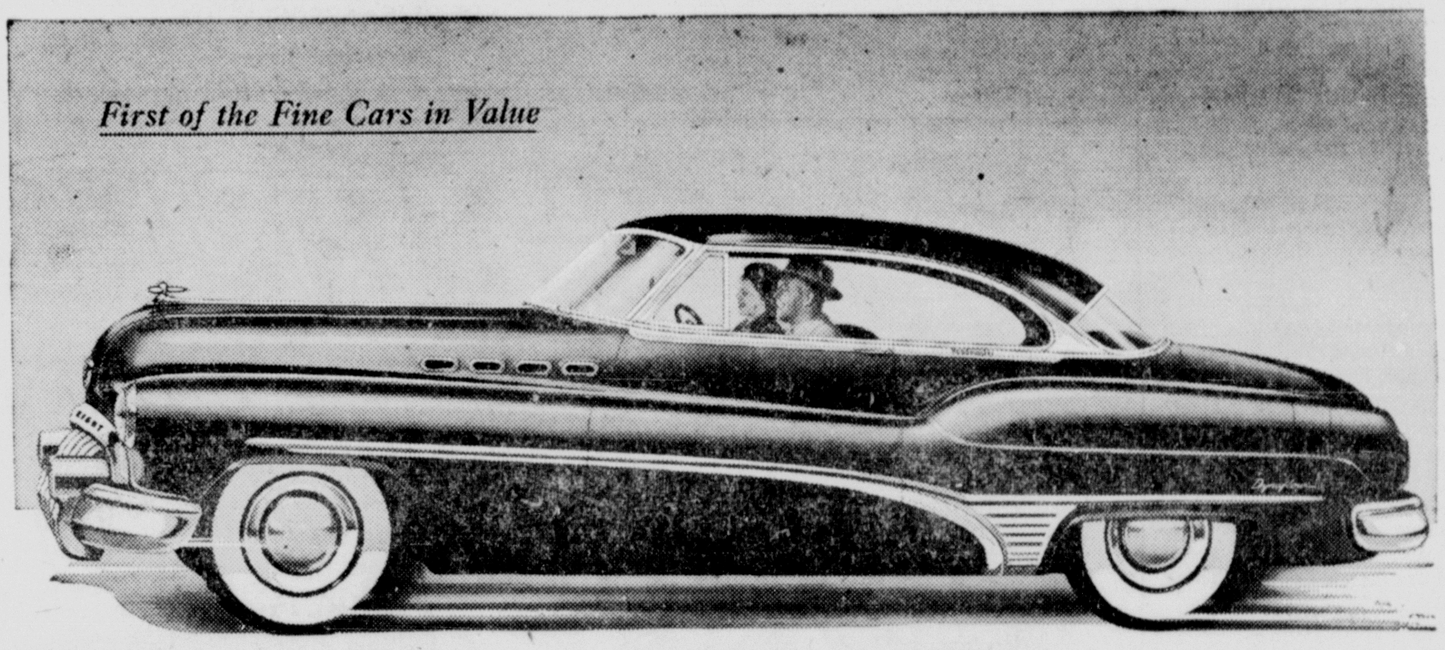
First of the Fine Cars in Value



Even Wiser than He Seems

PLAINLY, here travels a man wise in the ways of fine motorcars.

You know that, by the four Ventiports and the rich sweep of chrome which mark his car as a ROADMASTER.

You know it, should you trail him on the highway, by the smooth lift of the big Fireball power plant at his toe's command, by the obvious levelness of the ride he enjoys, the swift ease with which Dynaflow Drive solves his traffic problems.

What is not so plain from what you see is that here also is a man very wise in what today's dollar should buy!

For this man has all that a fine-car owner can ask for—brilliant performance, a ride without equal for gentle softness, finger-easy handling, abundant room all around him, styling that is easily the most distinguished on the highway.

Yet he paid considerably less than comparable merit costs elsewhere.

He found fewer extra charges in his delivered price, with such things as Dynaflow Drive, foam rubber cushions, windshield washers, electric clock, even non-glare rear-view mirror included in the price.

If you know fine cars, it won't take fifteen minutes behind a ROADMASTER wheel to see that here is one of the finest.

If you have inquired about prices, a single glance at the delivered figures establishes this as the big buy of the field.

Why not make both checks—especially since your Buick dealer will be glad to arrange a trial run in a ROADMASTER any time you care to call on him?

Only BUICK has Dynaflow DRIVE* and with it goes:

HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • **NEW-PATTERN STYLING,** with **MULTI-GUARD** forefront, taper-through fenders, "double bubble" taillights • **WIDE-ANGLE VISIBILITY,** close-up road view both forward and back • **TRAFFIC-HANDY SIZE,** less over-all length for easier parking and garaging, short turning radius • **EXTRA-WIDE SEATS** cradled between the axles • **SOFT BUICK RIDE,** from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • **WIDE ARRAY OF MODELS** with Body by Fisher.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

GM Your Key to Greater Value

Buick Roadmaster with Dynaflow Drive

Chas. M. Hicks Home From Convention

Charles M. Hicks, County Superintendent has returned from attending a meeting of the Food Distribution for Seven States held in Topeka, Kansas, Tuesday, July 25, through the 28.

Representatives from eight of 17 Texas Districts were present. Mr. Hicks serves as Chairman of the Texas Delegation.

M. F. Thumond, State Director School Lunch for Texas of Austin, lunch room directors for each State and others were present for the four day meeting .

Mr. Hicks said the outlook for foods to be donated to schools is indefinite due to the war situation. However, certain foods are already on storage and prospects are they will be available for the schols.

Dried eggs, dried milk, National Cheddar cheese and creamery butter will be available all year.

MEN—

patience of our local board members are wearing thin. We just want to point out that it is not mandatory under the law that married men be reclassified III-A under such circumstances.

"Such men who fail to report change of status, such as marriage, or a change of address legally are eligible to be declared delinquent for failing to comply with the law. A delinquent can be inducted immediately ahead of all others under this law, and if we are forced to do so in order to meet our calls, we will comply with the law to the letter," General Wakefield continued.

The state director concluded with the statement that notification concerning marriage, change of address, and other changes of status are "The entire responsibility of the registrant," and that notifications of change must be sent to local boards in writing over the signature of the registrant.

"Too much damage already has been done," he said. "The time is almost past for men to get things squared with their draft boards."

Coral Snakes Are Numerous In County

Mrs. Barclay Jeter of Cameron killed a poisonous Coral Snake at the home of her mother Mrs. Wesley Wood in Milano Monday July 31.

The snake about two feet in length was found in the backyard of the Wood home as the ladies were preparing to do the family wash.

Help was sumomned and immediately the poisonous reptile was annihilated and the remains were brought to the Herald Plant where it was definitely confirmed that the reptile was the poisonous specie.

About two weeks ago Harold B. Pressley, well known farmer of the Hoyte Community, brought a live Coral snake to the Herald Plant in a glass jar. It was approximately the same size and length as the one killed at the Wood home.

Mr. Pressley indicated that he would be on close guard for the mate of the snake as they are very poisonous and in some cases death has been instantaneous where people have been bitten by these reptiles.

This snake is very common in south east Texas and Louisiana and a great number have been found in Mississippi and other southern coastal states.

There are two kinds of Coral snakes, the black nose which is the poisonous type and the red nose which is not very harmful.

The black nose coral stripes completely circle the snake while the red nose has a whitish stomach and whose stripes do not entirely circle its body.

Wallace Culpeppers Are Parents Of Son

Mr. and Mrs. Wallace Hilton Culpepper announce the arrival of a son born Monday, July 24 at the St. Edward Hospital.

The baby has been named Wallace Hilton, Jr., and weighed 8 pounds and 14 ounces and is their first born.

Mr. and Mrs. H. P. Culpepper and Mr. and Mrs. E. P. Werner are the grandparents and little Wallace is the only grandchild of the Culpeppers and Werners.

All three of the Culpeppers are doing fine.

HOME DEMONSTRATION CLUBS ENJOY CAMP

The Coffield Diamond H. Ranch in the Friendship Community was the scene of activity when 35 Milam County Home Demonstration Club women and 56 4-H club girls and sponsors held their respective annual encampments on July 25 through July 28.

The Home Demonstration ladies registered early Tuesday morning and were classified into groups of Herefords, Jerseys, Brahman, and Angus with special camp duties to perform during the camping season.

A delicious fried chicken dinner was served to this group. Mr. and Mrs. Hodge, Ranch foreman, and Mr. Gershbach were guests for lunch and the evening meal.

The Home Demonstration Council held its monthly business meeting Tuesday afternoon. Club ladies who seldom have an opportunity to visit Council had the pleasure of seeing Council in session.

Two demonstrations were given at Camp. Mrs. Hugh Wimberly demonstrated how to make frosted candles and Mrs. Bertie H. Alford, County Home Demonstration Agent, gave a demonstration on cooking in aluminum foil. The evening meal of pork chops, potatoes, and carrots were prepared, wrapped in aluminum foil and cooked on the coals.

On Wednesday morning, a short program on "Farm Safety" was held in observance of National Farm Safety Week. The ladies broke Camp about 3 o'clock Wednesday to return home and to their families.

Thursday morning, 54 girls and sponsors showed up on the scene for a two-day encampment. Miss Margaret Bracher, District Agent from Temple, and Miss Mary Roper, Assitant H. D. Agent in Bell County, were visitors. The girls and sponsors were registered and classified into groups of Lambs, Frogs, rabbits and turtles, and duties assigned. Beverly Garner of Sharp was elected sheriff; Billie Swazy of Burlington was elected deputy to keep Camp grounds clean; Stella Ann Turner of Thorndale was elected deputy to keep order in Camp; and Marian Fuchs of Buckholts was elected deputy to keep order at bedtime.

Demonstrations of glass etching was given by Mrs. Bertie Love, Homemaking teacher of Buckholts, and cooking in aluminum foil was given by Mrs. Bertie H. Alford, County Home Demonstration Agent. A panel discussion on Farm Safety was led by Mrs. Carl Linke, Thorndale 4-H sponsor and approximately 40 first aid kits were displayed by the 4-H girls. Miss Margaret Bracher and Miss Mary Roper acted as judges. The following girls were the winners; Beverly Garner of Sharp, first place; Bernice Fischer of Buckholts, second place; and Jacquelyn Linke of Thorndale, third place.

The Home Demonstration and 4-H club people express appreciation to these people who helped to make this encampment possible: H. H. Coffield of Rockdale who so graciously made available his camping facilities on his ranch; the Perry Hardware Company of Rockdale, who set up 2 electric refrigerators for this group to use; the Thorndale, Buckholts and Burlington Schools for supplies and busses, Hilltop Bakery and Killen's Grocery for discounts on bread and groceries, Duncan Coffee Company for free coffee for the ladies and Mr. and Mrs. E. L. Hodge and Mr. Gershbach for their splendid cooperation, aid and hospitality while camping.

CHRISTIAN SCIENCE SERVICES

"Spirit" is the subject of the Lesson-Sermon which well be read in all Churches of Chirst, Scientist, on Sunday, August 6.

The Golden Text is: "The Fruit of the Spirit is love, joy, peace, long-suffering, gentleness, goodness, faith, meekness, temperance: against such there is no law." (Galatians 5:22.23).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Now the Lord is that Spirit: and where the Spirit of the Lord is, there is liberty." (II Corinthians 3:17.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Therefore in Spirit all is harmony, and there can be no discord; all is Life, and there is no death. Everything in God's universe expresses Him" (page 331).

FROM CAMP TO RADIO

Three Milam County 4-H girls, Beverly Garner of Sharp, Marian Fuchs of Buckholts, and Jacquelyn Linke of Thorndale, left 4-H Encampment Friday afternoon ready to speak to the public about Farm Safety. These girls under direction of Mrs. Bertie H. Alford, Milam County Home Demonstration Agent, broadcast over KTAE Taylor on Saturday, July 29th at 10:30 A. M. Many timely tips were given as to how to prevent farm accidents. A farm accident happens every 13 seconds in the United States.

Milam County Teachers Attend Convention At Missouri School

Mrs. Leona G. White, Mrs. Buddy Wiese, and Miss Mary Randolps from Cameron public Schools and Miss Lois Randolph fifth grade teacher in Rockdale School, have returned from Lindenwood College at St. Charles, Missouri, a few miles from St. Louis, where they attended the 7th annual convention for classroom teachers. The convention was in progress from July 10-21.

The first three days of the convention were devoted to the study of the United Nations. Important leaders from Lake Success discussed the organization of the U. N. Later, the problems of united relations and school affairs were fully discussed. Many outstanding authorities explained each subject to promote an understanding among the teachers.

Local teachers attended the game between the Cardinals and the Brooklyn Dodgers. They also visited the open air opera which is the largest of its type in the world, where they saw "Robin Hood." The scenic beauty of the Mississippi River was enjoyed from the deck of the S. S. Admiral.

Four hundred and fifty teachers registered, including representatives from 44 states in the union and 26 foreign countries.

The E. O. Schillers Sr. Home From Vacation

Mr. and Mrs. E. O. Schiller have returned from a two weeks vacation through the eastern part of the United States.

The first week they toured through Arkansas, Tennessee and stopped at the Smoky Mountain National Park and from there on to North Carolina and Mississippi where they saw many interesting sites especially the old southern colonial homes.

Returning home they toured along the coastal areas stopping at Natchez and other interesting points along the coast.

The Schillers reported a wonderful trip and the weather was ideal for traveling.

Mr. and Mrs. Joe Meier Return From Vacation; See Washington D. C.

Mr. and Mrs. Joe Meier Jr. have returned from a ten day sight seeing trip to Washington D. C.

The trip was informational and educational as well as entertaining since the Meiers received an opportunity to tour the capitol of the United States.

Enroute to Washington, the party toured 13 states in the eastern sector of the United States. They reported ideal traveling weather all the way, and expressed pleasure for having selected this portion of the U. S. to spend a vacation.

Mrs. F. L. Gregory Is Ill In Newton Memorial Hospital

Mrs. F. L. Gregory who suffered a heart attack Friday July 21 is reported resting well in Newton Memorial Hospital.

Her condition at first was very serious but she is improving at the present and reports today were that she may return to her home in the near future.

Mrs. Gregory has been ill for sometime but her condition did not become critical until recently. Her many friends wish her a speedy recovery from her illness.

Mr. and Mrs. Hubert Jistel and family visited Mr. and Mrs. Floris Abel and family recently.

BRAZOS COUNTY COTTON IS EARLY THIS YEAR

BRYAN, July 29— Brazos County's first bale of 1950 cotton was brought to Bryan Wednesday night by Harry Moore and son from their cotton plantation in the Allen farm community.

Delivered to the Bryan Compress and Warehouse Co., the bale weighed 520 pounds. It was ginned at the W. S. Moore gin in Navasota. Moore was presented a check for $50, given by the Bryan Chamber of Commerce to be awarded to the producer of the first bale of cotton brought to Bryan.

Moore sold his bale to Yarborough at Navasota for 50 cents per pound. The cotton is a late variety of DT and L named Fox. It is a quick maturing cotton and was developed in Mississippi. Last year Moore was sent a bushel of the seed and has been working with the new variety since that time. Moore brought the first bale of cotton to Bryan last year.

Miss Sammie Dell Markham who is attending Draughon's Business College in Dallas visited her mother, Mrs. Florence Markham over the week end.

TO THE PEOPLE OF COMMISSIONER PRECINCT 1

I want to express my gratitude and sincere appreciation to the people of Precinct 1 for the splendid vote given me on Saturday July 22 in my un-opposed race for Commissioner.

I am indeed grateful for your continued confidence and I will continue to render you the best of service.

The fact that I did not have an opponent this year makes me more appreciative of the good will and confidence that has been expressed.

C. S. RANEY
Commissioner Precinct 1

To The People Of Justice Precinct 1

I want to express my sincere thanks to those who supported me on Saturday, July 22.

I am deeply grateful for all my friends who voted for me. To my opponent I extend my congratulations.

Hubert W. Shuffield
